Fireworks Display Packages - For Wedding Receptions

Thanks for your interest in Celebration Fireworks Inc! We provide choreographed, computer-controlled fireworks displays that are much more spectacular than common, hand-fired displays. In fact, we use the same equipment and software as DisneyWorld! Regardless of the package you select from us, your display will be magnificent and beautiful. Here are our standard packages:

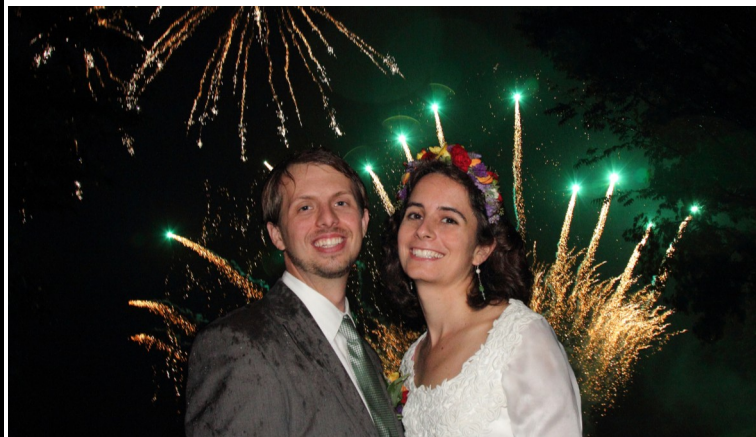

Fireworks Display Packages

<u>Pkg.</u>	<u>Price</u>	<u>Time (min.)</u>
A	\$3,500	8 to 10
B	\$3,900	11 to 12
P	Pyromusical - add 60% to any package	

Display Design & Choreography

Each package begins with a dramatic introduction and ends with a powerful finale. In between, we feature lots of surprises and elegantly designed scenes to keep your guests on an emotional high. Each display uses a wide variety of high-level fireworks synchronized with hundreds of rapidly firing mid-height fireworks. Unlike ordinary displays, we angle the launch directions so that a much wider swath of the night sky is filled with beautiful color. The result is a display that is very large and grand that you and your guests will never forget! To see actual video of our display packages please visit our website at...

Pyromusicals

Package "P" features a music soundtrack that is tightly synchronized to the fireworks as they burst in the sky. We work with you to jointly select the music. We require 1 to 2 months notice due to the substantial design work involved, but the result is an emotion-filled, awe inspiring event that will absolutely thrill your guests. We have the capability to interface with your DJ's or band's sound system or you may rent our sound system instead. (\$495)

Customize Your Display

Each display package can be customized to make your display particular special and unique. For example, you may like us to use lots of dripping gold "willow" or "brocade" effects, or create a finale that is entirely silver or white. We can use lots of salutes (those exciting loud booms), or a few, as you wish. Just let us know what you like! We can end the display with a large red heart setpiece (\$375 option) or even line the driveway with tall silver fountains to follow your car as you leave to start your grand new life together (\$925 option). Other setpiece messages can be created at a cost of \$80 per character.

Permit Fees

We obtain the required local display permit. The permit cost is extra and will be added to the package you select. We also add \$100 to tip the local fire company for the required standby fire truck & crew. There are no other costs involved.

Let us transform your reception into a gala that you and your guests will never forget!
